AIA Abilene 2022 Design Awards Call for Entries

AIA Abilene would like to invite participants to enter the 2022 Design Awards Competition, which serves to recognize and promote excellence in architecture and design in the Big Country and beyond.

A jury of respected architects will review each submission based on quality of design, resolution of the program, innovation, technical ability, environmental response, and/or social impact.

The jury's selections are announced and honored at the AIA Abilene Design Awards Presentation. Winning projects will be promoted within the Abilene community, cultivating an ongoing public interest in architecture and design.

Schedule

Submission Deadline: Friday September 2, 2022 by 11:00 p.m.

- Includes entry forms, application fees and submission documents

Jury Panel Meets: T.B.D.

Design Awards Presentation: T.B.D.

Eligibility

Eligibility to participate in the Design Awards is as follows:

1. AIA Abilene Architect Members in good standing are eligible to enter projects in every category regardless of project location.
2. AIA Abilene Associate Members in good standing are eligible to enter projects in both Unbuilt categories.
3. Students from colleges and/or high school within the jurisdiction* of AIA Abilene are invited to enter the Unbuilt – Student category with the sponsorship of a faculty member at their school and/or AIA member.
4. Any Architect currently licensed to practice architecture in the State of Texas may submit a project built within the jurisdiction* of AIA Abilene.

5. Built projects must have been completed after January 1, 2017 except for the special requirements in the Urban Design/Master Planning category. On projects where construction is phased, only completed projects are eligible.
6. Where one is not the sole author, all participants in the design work must be credited on the Entry Form.
7. Any pre-existing architectural elements on the project shall identify the original Architect. For instance, an addition to an existing building should identify the Architect of the existing building where practical and should clearly delineate for the juror the addition from the existing.

*As defined by the AIA Abilene area map, found on Exhibit A.

Categories

Built Projects

Built projects may be submitted for recognition in the following categories. Each project may only be submitted in one category. The jury reserves the right to move a project from one category to another.

- **Architecture greater than 50,000 SF**
- **Architecture less than 50,000 SF**
- **Residential Architecture**
This category shall include single-family dwellings and multi-unit projects up to 20 units. Large scale apartment or condominium projects should be submitted under one of the two Architecture categories above.
- **Interior Architecture**
- **Renovation/Restoration**
Restoration, renovation, or rehabilitation of existing building(s) including adaptive reuse. A non-integrated addition to an existing building(s) should be submitted under one of the two Architecture categories above.
- **Divine Detail**
Recognizes architectural ingenuity in the use of a particular material, detail, or building technology
- **Urban Design/Master Planning**
Must have an active client. Submittals may include urban design projects, planning programs, civic improvements, environmental programs, and redevelopment projects. Portions of the project must be under

implementation; however, the whole project need not be completed. The project description must include the implementation schedule.

Un-built Projects

- **On the Boards**
Uncompleted or unrealized work for an active client.
- **Conceptual**
This category is for theoretical work. Project types may include building design, sustainable technologies, competition entries, installations, art, student thesis or studio project, travel sketchbook, architectural rendering and the like.

Submission Requirements-

Note: Any submission with the firm name on the submission on anything other than the Entry Form shall be disqualified.

All entries must be anonymous. Your name and/or firm name should not appear anywhere except where indicated on the Submission Form document. For every submission, please prepare the following:

1. Entry Form (PDF file type)

Entry forms may be found within this document. Complete the form and title the file in the following format: EF-Your Project Name.pdf

2. Project Description (PDF file type)

Create a project description form with a written description of the project in a maximum of 250 words and one image. The description should include program requirements, sustainability goals, design solutions and anything else that you find pertinent for understanding the project. The image shall be a representative photograph or drawing for identification (max size 5 x 7) landscape or portrait on the same page as the project description. Title the file in the following format: PD-Your Project Name.pdf.

Do not identify the Architect or designer on this sheet.

3. Project Presentation (PDF file type)

For each project, submit a PDF file 11" x 17" landscape containing a maximum of 20 pages. Submittals may not contain transitions, sounds, animation, video clips, panorama movies, hyperlink or link to other files. Images should be a minimum of 150 DPI for better display resolution.

- Title your pdf in the following format: PP-Your Project Name.pdf
- Do not identify Architects or designers in the file name or on any image.

- Pre-existing architectural elements not designed as part this project but that is visible on the image should be clearly marked as pre-existing and the prior Architect should be credited.
- For all projects, except as noted, include site plan and aerial photography
- All plans and elevations should be clearly marked with North arrow or directional identification.
- For Renovation/Restoration, indicate re-existing conditions with plans and/or photographs.
- For Interior Architecture projects, include floor plans and one exterior photograph of the building for reference.

4. Image for Publication (TIFF file type)

Provide one 8" x 10", 240 DPI image titled in the following format: IM-Your Project Name.jpg. The image will be used for the Design Awards Publication, in which all submittals will be published.

Combine the 4 submittal items listed above into a single compressed zip folder titled in the following format:

Project Category-Your Project Name.zip

This zip file will be the only attachment you submit.

Entry Fees

- \$100 per entry AIA Abilene Chapter Members
- \$250 per entry Non-AIA Abilene Chapter Members
- \$50 per entry in the Divine Detail category
- \$25 for entry for Associate Members or Student

Each project may only be submitted in one category.

Awards Presentation and Exhibition

Winning entrants will be invited to bring their clients, consultants and guests to the AIA Abilene Design Awards Presentation. The method, date and time for this event has yet to be determined at the time of this Call for Entries. During the presentation, AIA Abilene will announce the awards and honor each project team including architects, consultants, and clients. Associate Members and Students will

also be announced and honored in their respective categories.

Winning entrants will be required to furnish a digital image for a 30-inch wide x 42-inch long vertical format board per winning project for exhibition. These boards will be printed at the expense of AIA Abilene. This image shall have the name of the project, architect or firm and team members or student on the image that AIA Abilene will get mounted.

FINE PRINT

AIA Abilene reserves the right to disqualify entries or projects not submitted in accordance with the stated rules. AIA Abilene is not responsible for errors in submissions. Submission of an entry is your authorization for AIA Abilene to publish your project. Awarded projects may be submitted for publication by the AIA in professional journals, newspapers, and social media. Photo copyright: the entrant's signature on the entry form implies that the submitting firm has the rights to use the photographs and constitutes written permission for AIA Abilene to use photographs for the AIA Abilene Design Awards Presentation and related publications.
